Joanne ,

I have attached a letter that I will be mailing shortly that provides an update on the Bremerton Gasworks project. Please note that we intend to have a public meeting on November 19th at 6:30pm at the Norm Dicks Government Center in Bremerton.

Please also find attached the Quarterly Reports (Qrt 3 & 4 - 2009) and the MBE/WBE Utilization Reports for your review and file.

I will be mailing the hard copies of the attached for your record file. In addition, I will mail the original MBE/WBE Utilization Report to the MBE/WBE coordinator.

Please contact me if you have any questions.

Thank you,

Lynn R. Price, P.E.
